**Presented at the THIC meeting at the Del Mar Hilton, Del Mar CA
January 22, 2002**

Facts or Urban Myths?

- Built 1970
- Worlds tallest building for one month
- 110 stories high
- 10-30 sub basements
- \$100-250 million gold bars in vaults
- Large tape vaults
- Has been attacked before

Nobody can do it all !

- Hardware
- Software
- Media
- Security

Conclusion

- Same companies lost computer data
- Scope of the disaster
- How to prepare?

- Rebuild, Not alone in the struggle.
