Summary

- We can do a lot better
- All presenters, please remember to bring in a floppy of your presentation with you, or e-mail it to:
 - thic@thic.org

Internet Service Providers (ISPs)

- **AT&T WorldNet Service, PO Box 8116, Trenton NJ 08650-9981 or call 1-800-WORLDDNET.**
 - **For Windows 95: uses Windows 95 dialer, comes with Netscape 2.01 with builtin e-mail**
 - **Eudora, if you have a copy, will work with the package**
 - **For Windows 3.1x: comes with ShivaPPP dialer and Netscape 2.01. You will need win32s**
 - **Not yet available for the Mac**
- **Pipeline, P O Box 592, Herndon VA 22070, or call 1-800-290-5975**
 - **Proprietary package, available for both PC and Mac**

Internet Service Providers (ISPs, continued)

- **EarthLink Network, Inc, 3171 Los Feliz Blvd, Suite 203, Los Angeles CA 90039**
 - **Phone 1-800-395-8425, FAX: 1-213-644-9510**
- **All three Providers give unlimited internet access for a flat rate, ranging from \$19.95 to \$24.95/month. Most importantly, the user can send and receive MIME attachments with e-mail.**
- **All three providers have local access numbers throughout the US, but the coverage is still not complete. 800 numbers are available from areas lacking local coverage, costing about 8 cents/minute.**
- **Check out local ISPs. There are more than two dozen in the Baltimore-Washington metropolitan area, and some of them offer much lower rates than the national ISPs.**

**Reminder: The Fifth NASA Goddard Conference
on Mass Storage Systems and Technologies**

Dates: September 17-19, 1996

**University of Maryland Conference
Center, College Park MD**
